

Since our Christmas dinner meeting at the Mandarin restaurant in December 2017 our Chapter has had one meeting. The last meeting was held at the Westin Prince Hotel on March 3rd.2018 and sponsored by AMT/Vantage Endoscopy group. As usual our meetings have been well attended with over twenty members all the time. We have continued with the trend of having educational sessions during our meetings and thus a certificate of attendance is issued from the chapter to all members for two hours each.

To date our chapter's membership is 233 with a total of 83 employed in a MDRD department. Our bank balance is \$4500. The chapter is still considering an Educational day which could happen between June and September of 2018. The membership at the last meeting has passed a motion to send two executive and two very keen members to CAMDR in October.

Presently the chapter has three positions that are vacant. They are Vice-President, Secretary/Treasurer and Chapter representative. So far no one has indicated to have their names nominated to the vacant positions. If anyone is still interested and is paid up after June 1st.we may nominate members for the positions.

The next meeting will be the AGM to be held at the Scarborough Hospital Birchmount Campus at the end of May 2018. We are looking forward to having some new executive members and another successful membership year.

Regards,

Rohan Jagasar

President ETA Chapter
