- Delta chapter had their education day October 27/18 at the Juravinski hospital auditorium.
- Attendance was very good. 31 people In total were present. Members/non members were included.
- Registration/breakfast was sponsored by Steris Canada
- Introduction was presented Octavio. (Executive President)
- Toni (Vice President) presented opening greetings to all and introduced all 7 speakers.

- All 7 speakers spoke on various topics which included:
 - ✓ Speaker 1. Anne Bialachowski /IPAC (infection prevention and control program). She focused on the great importance of Infection Control and Patient confidentiality. How to improve them in the future.
 - ✓ Speaker 2. Manon Laflamme/Steris Canada. She focused on the importance of continuing education in MDR. How we need to be revisiting the "Basics" in MDRAO

- ✓ Speaker 3. Nathan Laishram/Olympus Canada. Spoke about the importance of manufacturers validations and reprocessing. Manufacturers can only validate their own products and repairs. No 3rd. Party involvement. Encouraged the importance of education. Promoted a 2 day course from their Trained Educators to teach other staff on how to Trained Educators for their facilities.
 - ✓ Speaker 4. Chris Stout/ASP (advanced sterilization products). He spoke about the NEW Starad 100 NX for sterilizing.
 - ✓ Speaker 5. Al Scott/Primed Canada. He spoke about the NEW product the "Borescope" how it works and detects biohazards/debride within the already "cleaned" scopes. How to reduce /eliminate situations regarding patient safety.
 - ✓ Speaker 6. Cyndy Donnell/Trudell Medical Marketing Limited. She spoke on the importance of the packaging of instrumentation. Touched on how close the relationship is with the O.R and MDR Techs. The error margin is approx. 90% from the O.R.
 - ✓ Speaker 7. Joe Raab/St. Joseph's Health Centre Toronto. He spoke about his life experience and injury. He encouraged us NOT to be fearful to find our "VOICES". Don't let life's injuries keep you crippled and take a "STAND" in making our work environments a better/safer place.
-
- Closing was open to everyone asking speakers questions.
