4	Minutes December 16 th , 2018 we were lucky enough to host a small MDRAO Sigma Chapter gathering at a local restaurant in Chatham, Ontario. This event was held very close to our December Holidays so our attendance was lower than usual. Though our attendance was low, we were able sit and enjoy everyone's company. We were also able to discuss the past, present and future of our Chapter. During this Chapter Meeting we gave two lucky Chapter Members all expenses paid to our 2019 bi-annual MDRAO Conference held in Toronto on September 7-8, 2019 The first draw was for all of our members; Tammy Buchanan was the lucky member to win this opportunity. The second draw was done for only those members who have attended two or more Chapter Meetings/Education Sessions held in 2018; Brandy King was honoured to have you name chosen We are looking forward to 2019 and all the exciting meetings, education sessions and our much anticipated 2019 MDRAO conference held in Toronto on September 7-8, 2019
