

Operating Room Technician Opportunity (OR Tech) Supporting the Canadian Armed Forces

About Calian:

Calian is proud to continue a long-standing contractual relationship with the Department of National Defence to provide healthcare services to the Canadian Armed Forces. Through the Health Care Provider Contract, Calian employs health care professionals across Canada who are integral to supporting the health and wellbeing of our military members.

The Opportunity

We are currently seeking an Operating Room Technician who would be interested in a full-time contract at CFB Ottawa.

Operating Room Technicians (OR Tech) assist surgeons, internal medicine specialists, physicians with endoscopy, cystoscopy, and minor surgery procedures. Their work includes providing patient care during all aspects of procedure, preparing for procedures, assisting with procedures, cleaning procedure room, cleaning, disinfecting and sterilizing equipment. OR Techs work under the direction of surgeons, internal medicine specialists and physicians during procedures and act as a part of the health care team.

This position offers:

- Regular weekday hours with no evening or weekend work (Monday - Friday 7:30 am - 4 pm)
- Attractive and competitive compensation

Mandatory Qualifications:

- Registered Practical Nurse (RPN) license with the CNO
- 3 years of experience within the last 5 years providing direct patient care as an OR Tech and working in one or more clinical settings such as hospital or clinic.
- 3 years of experience within the last 5 years working in an endoscopy, cystoscopy and minor procedure suites
- Certificate of Basic Life Support (BLS) for Healthcare Provider or equivalent such as Cardio-pulmonary Resuscitation/Automated External Defibrillator (CPR/AED) Level C
- Certificate from Medical Device Reprocessing Course with a minimum 3 years of experience within the last 5 years medical device reprocessing and endoscope reprocessing
