What will you work on?

- You will perform a series of detailed technical duties related to preparation of the Operating Room (OR) theaters and the position and preparation of the surgical patients and related supplies/equipment.
- You will restock supplies in the theaters and storage areas and transport patients, specimens, equipment and supplies within the perioperative areas.
- You will support the surgical team regarding patient observations and interactions, and in the use, care and location of perioperative equipment and supplies.

Where are we located?

The quiet community of Creston is located south of Kootenay Lake in the heart of the Rockies Region in Southeast BC and is nestled between the Purcell and Selkirk

Mountains. Creston boasts many local Artisans with skills such as blacksmithing, pottery, quilting, broom-making and painting and display their creations at annual events such as the Arts and Culture Festival and Art Walk. If you are seeking to relocate, Creston has a complete range of services and facilities, which provide for a comfortable and satisfying lifestyle. Known as “The Valley of the Swans,” the Creston Valley is a breathtaking combination of snow-capped mountain peaks, fields of grain, deep clear lakes and wide-open spaces. Although primarily an agricultural centre with a focus on fruit production, the community’s economy is also dependent upon forestry, manufacturing, mining and tourism.

Apply today!

Qualifications

- Grade 12
- Successful completion of Sterile Processing Course.
- One year’s recent related experience is an asset.
