

Medical Device Reprocessing Technician/Perioperative Aide

Penticton, British Columbia

Status: RELIEF FULL TIME

Hourly Wage: \$27.82

Position Summary

We are seeking a Relief Full Time Medical Device Reprocessing Technician/Perioperative Aide at Penticton Regional Hospital in Penticton, BC.

Days of work: Rotating, Days, Evenings

Shift times: 07:00 to 15:30, 08:30 to 17:00, 09:00 to 17:30, 12:00 to 20:30, 14:30 to 23:00

This is a relief position until the return of incumbent January 6, 2025.

What we offer:

- Employee & Family Assistance Program
- Employer paid training/education opportunities
- Employer paid vacation-Medical Services Plan
- Employer paid insurance premiums
- Extended health & dental coverage
- Municipal Pension Plan
- Work-life balance

What will you work on?

- You will perform a series of detailed technical duties related to preparation of the Operating Room (OR) theaters and the position and preparation of the surgical patients and related supplies/equipment.
- You will restock supplies in the theaters and storage areas and transport patients, specimens, equipment and supplies within the perioperative areas.
- You will support the surgical team regarding patient observations and interactions, and in the use, care and location of perioperative equipment and supplies.

Where are we located?

With all the amenities of a larger urban centre, Penticton is known for preserving its small-town charm and warmth. Its lush surroundings and ideal climate, with over 2,000 hours of sunshine per year, combine to create the perfect landscape for residents and visitors alike.

We love it here...

“I have recently relocated to Penticton and I could not be more pleased. Living in the South Okanagan is truly amazing. Beauty surrounds this exquisite valley. Since my arrival in August, I have had the pleasure of swimming and playing at the beach, hiking alpine meadows, watching the Challenge Triathlon, hiking scenic trails, visiting local wineries, shopping the summer farmers’ market, and now snowshoeing snowy trails, and skiing the powder of Apex mountain. I have felt welcome since my arrival and I am continually amazed at the beauty I see each and every day.” – Sharon Nelson, RN, Dialysis Patient Care Coordinator, PRH

Apply today!

Qualifications

- Grade 12
- Successful completion of Sterile Processing Course
- One year’s recent related experience is an asset

Comments
